## Happy Fall, Y'all!

HERE'S TO A WONDERFUL SUMMER

Hello again, Laramigos! We're so excited to be writing to you yet again. We can't believe that summer has gone by so fast! But from spending time with our lovely community to maintaining and repairing vehicles from Laramie and beyond, we believe the time has been spent well.

As we move away from the summer season, we are finding that our schedule is still jam-packed with folks looking to take the best care of their vehicles, especially with the return of Laramie's student population (Go Pokes!). So, when it comes to taking care of your vehicle, don't hesitate! Choose the shop dedicated to keeping your vehicle safe and reliable. The sooner you give us a call, the sooner we can fulfill that mission.

## "Brake" Into Fall

FREE BRAKE GIVEAWAYS CONTINUE

So far, nine members of our community are driving around more safely thanks to our free brake program! Each month, Good Vibes installs one set of brake pads and rotors to a member of our community who qualifies for our sliding scale program. To enter, simply speak to one of our friendly service advisors about scheduling a free safety inspection. Not sure if you qualify for discounted services? We'll ask you a couple of painless questions to find out! Who knows? Free brakes could be yours! A vehicle's brake system is, arguably, one of its most important parts! Not only do your brakes keep you safe, but also everyone on the road. So why not let us keep you-- and our community-- safe for FREE?

## That's Our Kind Of Jam

### FIRST TRAFFIC JAM FESTIVAL A SUCCESS

On August 25th, Good Vibes Garage hosted our first-ever Traffic Jam Festival. We had free food, live music from Rob Joyce and Strawberry Jam, and fun games such as RC car races and a dunk tank! We are beyond grateful to our community for making this a tremendous success by coming out and enjoying the festivities. We would also like to thank Laramie Connections for their donations of tables, chairs, a grill, and the dunk tank; to our performers for their incredible acts; and to the technicians and business owner who braved rain and chilly temperatures to get in the dunk tank! We're so excited for the opportunity to put this event on again next year and make more unforgettable memories with our fellow Laramigos.

## Summer Lovin' In Laradise

### GOOD VIBES AT LARAMIE PRIDE & JUBILEE DAYS

This summer, we were so lucky to get "out on the town" and interact with some great people in our lovely Laradise community!

In June, we went to Pride In The Park, talked about maintenance with the wonderful folks there, and gave out some coupons! In July, we found ourselves in the thralls of the Jubilee Days chili competition, where we got lots of compliments from people taste-testing the chili. We had a great time and can't wait to do both events next year. Thanks for having us, PrideFest & Jubilee Days!

## Fun Fact:

Maintaining the correct tire pressure in your car can boost fuel efficiency by 10%... makes "cents" to us!

### GOOD VIBES GARAGE HIRING

We are excited to announce that we are looking to hire a part-time office & shop assistant. Our ideal candidate would be someone who:

- Likes being around people who like being around cars
- Is in the business of helping people-- we're not just replacing broken parts or diagnosing vehicles, we're providing safe, reliable, and affordable auto repair services to Albany County & beyond!
- Would be happy to work at a desk, drive a forklift (we'll tech you!), shuffle cars, sweep a broom, keep a fire stoked, and make coffee runs to keep the good vibes strong!

If this sounds like you (or someone you know), please check out our posting on Indeed or give us a call-- we'd love to meet you!
