Spring Has Sprung!

PREPARING FOR NEW OPPORTUNITY IN 2023

Hello fellow "Laramigos!" Here at Good Vibes, we're so excited for spring. It's been a long winter that came with road closures, parts delays, and what we can only assume to be a metric ton of snow (don't fact-check us on that, haha). Of course, the winter wasn't all bad! Good Vibes continued operations through the season, helping hundreds of customers from Laramie and beyond.

We are, however, thankful for spring and the opportunities it brings us! We're looking forward to increasing our community engagement in 2023 and helping as many folks as possible. Stay tuned!

Spring Break? More Like Spring "Brake"

FREE BRAKE GIVEAWAYS ALL YEAR

A vehicle's brake system is, arguably, one of its most important parts! Not only do your brakes keep you safe, but also everyone on the road. That's why we're doing a community initiative this year to install one set of brake pads and rotors for free each month to a member of our community who qualifies for our sliding scale program. To enter, simply speak to one of our friendly service advisors about scheduling a free safety inspection. Not sure if you qualify for discounted services? We'll ask you a couple of painless questions to find out! Who knows? Spring "Brakes" could be yours!

YOU DESERVE A BRAKE (S)!

Good Vibes Garage is
servicing FREE brake repairs
throughout 2023 for our
sliding scale customers!

Slide To The Left, Slide To The Right!

SLIDING SCALE: HELPING THOSE WHO NEED IT

Here at Good Vibes Garage, our motto is "Drive The Change." To us, that means we believe that everyone has the right to service their vehicle in a shop that they feel comfortable with, and can afford. We developed our sliding scale to help alleviate the burden of the unexpected costs of auto repair for the members of our community who need it the most.

If you could use a little help with your bill-- whether you're a single mom, a student, or just going through a bit of a rough patch-- Good Vibes Garage has got your back. Give us a call today or apply through our website to see if you qualify!

Silly of the Season: What kind of fish makes the best mechanic? ...A tuner-fish!

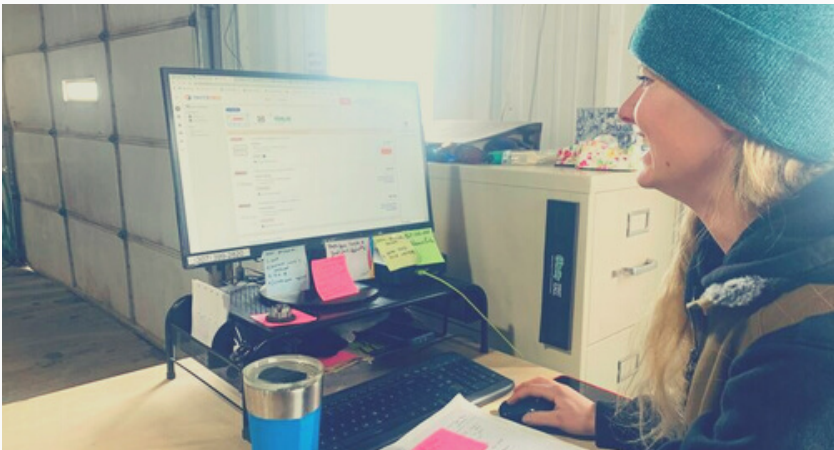

Spring Into Savings!

SPRING SERVICE SPECIAL

Do you like saving money while keeping your vehicle in tip-top condition? Of course you do! So this spring, we've decided to "spread the love" and give our customers who normally do not qualify for discounts an opportunity to save big!

From April 1st to May 31st, full-paying customers will receive 5% off services recommended by us through our free safety inspections or diagnostics performed in 2022. It's our way of giving the community a HUGE "thank you!" for supporting our sliding scale program.

Backbone Of Your Business

FLEET SERVICES AT GOOD VIBES GARAGE

Did you know that Good Vibes Garage also offers full-service auto repair to businesses and their fleets? Fleet services are one of the cornerstones of our operations here at Good Vibes Garage. Fun Fact:
The world's first speeding ticket was given in 1902. The driver was going 45 mph... What a scandal!
