GOOD VIBES GARAGE WELCOMES THE SEASON

Hello Laramigos! We're incredibly excited to be spending another summer here serving you. Summer is, of course, our busiest season of the year as we cater to not only our local population but also dozens- if not hundreds- of travelers. If you know when your summer travel plans are scheduled, don't delay! Get in to visit your mechanic with plenty of time to spare before the big trip. Vehicles are complex and tend to have unexpected needs at times that are most inconvenient to you. Performing regular maintenance and inspections prevents any unexpected issues, keeping you happy and your travel plans secure. And don't forget, Good Vibes is part of the TechNet group which provides a nationwide warranty, so wherever you go, our warranty goes with you. Give us a call today to make sure your vehicle is roadworthy!

Summer "Brake"

FREE BRAKE GIVEAWAYS CONTINUE

A vehicle's brake system is, arguably, one of its most important parts! Not only do your brakes keep you safe, but also everyone on the road. That's why we're doing a community initiative this year to install one set of brake pads and rotors for free each month to a member of our community who qualifies for our sliding scale program. So far, six members of our community are driving around more safely thanks to this program! To enter, simply speak to one of our friendly service advisors about scheduling a free safety inspection. Not sure if you qualify for discounted services? We'll ask you a couple of painless questions to find out! Who knows? A nice set of Summer "Brakes" could be yours!

Keep It Cool

REBATES ON A/C WORK THROUGH AUGUST

Good Vibes Garage is a partner of TechNet, a national service that provides warranties and rebates on various items throughout the year. For the summer of 2023, customers can get up to \$100 back on select repairs to their A/C systems. Imagine going on your vacation with an extra hundred dollars in your pocket, and a nice cool car to experience your adventures in. When you do your A/C work through Good Vibes Garage, that is entirely possible! If you're feeling the heat, give us a call to cool things down and get some cash back in the process.

Life's Better With Friends (& Happy Cars)

INTRODUCING THE REFER-A-FRIEND PROGRAM

At Good Vibes, we believe that there's nothing better than friendship, and that good friends and community members look out for each other. We want to reward you and your friends! From July 1st through September 31st, we'll be doing a special for those who refer their friends, family members, or anybody they know with a car!

If you refer between one and four people to Good Vibes, you'll get 10% off your total service. And, if you refer five or more people, you'll get 20% off! So what are you waiting for? Call your friends and spread the love... and save some money, too!
