The Most Wonderful Time Of The Year

WELCOME TO WINTER AT GOOD VIBES GARAGE

We can't believe another year has already passed by at Good Vibes, but then again, time flies when you're having fun! And this year, we've had a lot of fun "driving the change" in Laradise. 2023 brought us monthly free brake jobs, our first annual "Traffic Jam," exciting community partnerships, and the best team we've ever had at the garage. We feel incredibly lucky to serve a community that's as amazing as Laramie.

So here's to another successful, fun, and happy year keeping vehicles on the roads of Laramie safe and helping our neighbors in 2024! We can't wait to continue to make positive change, whether it be for the vehicles we repair in our garage or for the wider community we serve.

GOOD VIBES HOSTS “PONY EXPRESS” EVENT

Good Vibes Garage hosted an incredible event on December 1st, bringing the magic of the holidays to the garage! We were able to help busy Laramigos take care of their vehicles during the hustle and bustle of the holiday season: our techs performed a variety of services while our customers enjoyed hot cocoa, apple cider, and pictures and pets with “Willy Cute,” the pony friend of our service advisor, Ali.

We are grateful to everyone who came out to join us in making holiday cheer! We can’t wait to continue to spread positivity in the community through more events.

No Place Like Home For The Holidays!

Silly of the Season:

GOOD VIBES SUPPORTS LARAMIE CONNECTIONS

This fall, Laramie Connections hosted their first-ever “Good Lamaritan” banquet, which gave praise to volunteers from many walks of life in Laramie. Good Vibes was proud to nominate Cameron McCrea of Laramie PrideFest for his outstanding work in our community. The night was full of joy and laughter, and we are so happy to have been able to attend and support Laramie Connections and the amazing volunteers who were recognized. Many thanks to everyone who made the event possible!

The “Brake”-Down

YEAR OF FREE BRAKE GIVEAWAYS IN REVIEW

This year, Good Vibes Garage was able to perform twelve brake jobs for members of our community, absolutely free. When we set out to start this work, our goal was simple: we were going to make the roads of Laramie safer by providing brake pads & rotors to folks who needed it most. Of course, cars are full of surprises, and we’re happy to report that we were able to give away even more than we first imagined! From brake calipers and brake lines to whole brake fluid services, we were able to increase the safety of our community in a major way. We’re so happy we were able to help the folks who needed it most this year, and can’t wait to find new ways to continue to do so in the coming years.

Fun Fact:

91% of people who travel for the holiday use their own car, followed by air travel at only 5%. Hope those cars are “safe & reliable!”

GOOD VIBES GARAGE TO BECOME CAR DEALER

Since Good Vibes Garage opened in 2019, our mission has been to "Drive The Change" in Laramie by providing affordable and transparent services. Our goal was to keep vehicles on our streets safe and reliable while keeping the interests of the community in mind.

Now, our mission is expanding. Good Vibes Garage is filing to become a licensed car dealer, and we hope to obtain the license in 2024. With this license, we will be able to buy and sell vehicles to members of our community that we can stand behind with solid warranties and repairs by our expert technicians.

Buying a vehicle, especially a used one, can be stressful and expensive. Our hope is to develop a process that stays true to our values of transparency and safety.

We'll be able to tell you more once everything is official, but we truly do look forward to having more safe and reliable vehicles on the streets of Laramie, and being able to assist members of our community with affordable vehicles. Stay tuned for more awesome news on this later!
